

Certificate of Completion

2017 Online Project-Based Research Program in CMOS Design

Pitong Zhao

has been recognized for successful completion of
the 2017 Online Project-Based Research Program in CMOS Design,
July 17 - August 26, 2017.

October 2, 2017

DATE

Patrick Mercier

Patrick Mercier, Ph.D.

Co-Director, Center for Wearable Sensors
Assistant Professor, Electrical and Computer Engineering
University of California, San Diego
