

May 12, 2020

Dear Yitong Zhao,

Thank you for your efforts as a volunteer assistant this past semester. Your work gathering and cleaning data was very helpful for our Online Spiritual Atlas of China (OSAC) project. I appreciate your willing attitude and timely reports on the project.

Thanks again and good luck to you in your future studies at Purdue and beyond.

Sincerely,

Chris White, PhD
Assistant Director
Center on Religion and Chinese Society
Purdue University
